

Digital Marketing Campaign Proposal

Executive Summary

BrandBoost Agency proposes a 6-month integrated digital marketing campaign for FreshBrew Coffee Co. to increase online sales by 40% and grow social media following by 25,000 across Instagram, TikTok, and Facebook.

Problem Statement

FreshBrew has excellent product quality but lacks digital brand presence. Current website traffic is 8,000 monthly visits with a 1.2% conversion rate. Competitors average 45,000 monthly visits with 2.8% conversion.

Proposed Solution

A multi-channel digital strategy including: SEO optimisation, paid social advertising (Meta & TikTok Ads), influencer partnerships, content marketing, and email automation campaigns targeting existing and new customer segments.

Deliverables

1. SEO audit and keyword strategy
2. Monthly content calendar (30 posts/month)
3. 5 influencer partnership activations
4. Google & Meta Ads management
5. Monthly performance reports
6. Email automation sequences (5 flows)

Timeline

Month 1: Audit, strategy, asset creation

Months 2-3: Campaign launch and optimisation

Months 4-6: Scale and reporting

Monthly review calls every 2 weeks.

Budget

Agency Retainer (6 months): \$18,000

Paid Ad Spend Budget: \$24,000

Influencer Fees: \$8,000

Content Production: \$4,500

Total Investment: \$54,500

Expected ROI

Projected monthly revenue increase: \$28,000
Break-even point: Month 3
6-month ROI: 208%
KPIs: website traffic, conversion rate, ROAS, follower growth.
